All Member Associations are directed to distribute this rule to every youth and senior player, every coach, team manager, league administrator and referee. It is intended that the player and/or coach will make known the contents of this rule to his or her parents and spectators.

3.11.1 Authority

1. All members and participants in youth and adult soccer within the jurisdiction of the NTSSA have requested to participate in our programs. Therefore, these participants have agreed to abide by the Articles of Incorporation, Bylaws, Rules and Regulations of NTSSA, their local playing association, as well as those of the USSF and its respective Youth and Amateur Divisions. The NTSSA Articles of Incorporation and Bylaws provide that it has jurisdiction over all Member Playing Associations, players, coaches, team managers, administrators, team representative, and referees who choose to affiliate. Any member or participant in youth or adult soccer within the jurisdiction of NTSSA found in violation of the Articles of Incorporation, Bylaws, Rules and Regulations of NTSSA, their local member association, as well as those of the USSA and its respective Youth and Amateur Divisions, may be subject to publication in the monthly newsletter of NTSSA President's Newsletter of this association of their name, the type of violation, and the disciplinary action taken. Publication will be limited to individuals receiving disciplinary actions of three months or greater.

2. All Member Associations are directed to form their own Appeals and Disciplinary (A & D) Committees and to hold hearings – **WITH THE PARTIES HAVING THE RIGHT TO BE PRESENT** on every player/coach/assistant coach cautioned or ejected and on referee's reports of serious misconduct by spectators and/or parents as required by subsequent sections of this rule. Points are cumulative during the entire soccer year (September 1 to August 31). When a given player/coach/assistant coach accumulates twelve (12) Caution Points, his or her points over the 12 are carried over. A player transferring to another team will carry over his or her accumulated points to his or her new team. Report of these disciplinary suspensions **must** be sent immediately to the State A & D Committee at the State Office.

The **CAUTION** points are to be allocated as follows:

5. Any misconduct by a Coach justifying a report by referee or any other person shall be directed to the State A & D Committee as well as the Member Association with which the coach is affiliated. The Member Association shall promptly (within five (5) days after receipt of the report) rule on the report and send its decision to the State A & D Committee. The Committee will determine the extent of the punishment, if any, in addition to that taken by the Member Association.

8. Game suspensions for caution points and/or expulsions:

The suspension is to be served by the player/coach/assistant coach/manager/or team representative at the next scheduled game (regular league games, makeup league game, play off, championship, cup games, local or state tournament game) that they player's team is involved in. Therefore, the coach/assistant coach/team manager is expected to control his or her spectators, especially on non-enclosed fields. If he or she is unable to do so, the Member Association is directed to take appropriate actions toward the identifiable, unruly spectator, or if unidentifiable, towards the team itself. The Member Association report shall be sent to the State A & D Committee for review and further action if it feels it is warranted.

This cash bond will be required to be posted before the team may engage in any further games within the boundaries of NTSSA. Should any other member of said team be found guilty of referee assault during that one (1) year period, the team shall forfeit the bond and another similar bond will be required before the team can continue in competition. 3. Member Associations and their committees are urged to refuse to hear any appeal when any person is threatening a lawsuit. You should pass the appeal to the next higher forum which would hear it. This is a sport to which we are giving freely of our time, and none of us needs to take the trouble and expense to appear in court.

APPENDIX E

CHAPTER 9 CODE OF ETHICS/CONDUCT

49.2 NTSSA CODE OF ETHICS FOR COACHES

This code of ethics has been developed to clarify and distinguish approved and accepted professional, ethical, and moral behavior from that which is detrimental to the development of the sport of soccer.

ARTICLE I RESPONSIBILITIES TO PLAYERS

1. The coach must never place the value of winning over the safety and welfare of players. Winning should be the result of preparation and discipline with emphasis placed on the highest ideals and character traits.
2. Coaches shall instruct players to play within the written laws of the game and within the spirit of the game at all times.
3. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players.
4. Coaches should not tolerate inappropriate behavior from players regardless of the situation.
5. Demands on players' time should never be so extensive as to interfere with academic goals and progress. Motivation for excellence should include academics as well as athletics.
6. Coaches must never encourage players to violate NTSSA recruitment, eligibility, or guest player Rules or policies.
7. Under no circumstances should coaches authorize or encourage the use of medicinal or performance enhancing drugs. Players should be directed to see proper medical attention for injuries and to follow the physician's instructions regarding treatment recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.

ARTICLE II RESPONSIBILITY TO NTSSA AND MEMBER ASSOCIATIONS

1. Adherence to all NTSSA and Member Association rules and policies, especially those regarding eligibility, team formation, recruiting and guest players are mandatory and should never be violated. It is the responsibility of every coach to know and understand these rules.
2. Player development and the growth of the player through participation are essential to the growth of the sport. Additionally, the coach must behave in such a manner that the principles, integrity, and dignity of the sport are maintained.
3. Any problems that cannot be resolved between coaches should be referred to the appropriate NTSSA Commissioner, Member Association, or League Commissioner immediately.

ARTICLE III RESPONSIBILITY TO THE LAWS OF THE GAME

1. Coaches should be thoroughly acquainted with and demonstrate a working knowledge of the Laws of the Game of soccer. Coaches are also responsible to ensure that their players understand the intent as well as the application of the Laws.
2. Coaches must adhere to the letter and spirit of the Laws of the Game. Those coaches who circumvent the rules to gain advantage have no place in soccer.
3. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.
4. If coaches permit, encourage, or condone performance which is not in the letter or spirit of the laws, they are derelict in their responsibility to the players, Member Associations, NTSSA, and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

ARTICLE IV RESPONSIBILITY TO OFFICIALS

1. Officials must have the support of coaches, players, and spectators. Criticism of officials undermines their purpose in the game. Coaches must always refrain from criticizing officials in the presence of players.
2. Coaches should strive to develop a line of communication with officials, giving each an opportunity to better understand the problems, relating to their specific area. This section shall not be taken as an encouragement to debate referee decisions during the match.
3. On game day, officials should be treated with respect before, during, and after the game. Officials should be addressed as "Referee" or "Mr. / Mrs. Referee" and not by name. Professional respect should be mutual and there should be no demeaning dialogue or gesture between official, coach, or player. Coaches must not incite players or spectators to attempt to disrupt the flow of play.
4. Comments regarding an official should be made in writing to the appropriate organization assigning the official.

ARTICLE V RESPONSIBILITIES REGARDING SCOUTING AND RECRUITING

1. It is unethical to scout any team, by any means whatsoever, except in regularly scheduled games.
2. The use of video tape or motion picture equipment to scout an opponent's regularly scheduled games for the purpose of recruiting is unethical.
3. All NTSSA rules pertaining to recruiting shall be strictly observed by the coach, manager, or any team representative.
4. It is unethical for a player to be recruited or enticed from the Olympic Development Program (ODP) setting, either by his ODP coach or any other coach, manager, parent or team representative.
5. When discussing the advantages of his/her organization, the coach has an ethical obligation to be forthright and refrain from making derogatory remarks regarding other coaches, teams, or organizations.
6. It is unethical for any coach to make a statement to a prospective athlete which cannot be fulfilled. It is illegal to promise any kind of compensation or inducement for play; and immoral to deliver same.
7. Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts rather than here-say and innuendo. While documentation of recruiting violations is essential, the use of video tape and other electronic equipment is discouraged.

ARTICLE VI RESPONSIBILITY OF PUBLIC RELATIONS

1. Coaches have a responsibility to promote the game of soccer to the public. Comments and critiques of governing bodies, teams, coaches, players, parents, or the media should be positive and constructive, never prejudicial or inflammatory.
2. When asked to give a recommendation concerning team, camp, coach or organization, it is in the best interest of all concerned if no less than three referrals are given in order to provide a professional unbiased source of information.
3. Coaches have the responsibility to assist their players in conducting themselves properly when in public while representing their team, Member Association, and NTSSA.
4. Publicly predicting a win is folly and serves no useful place in a coach's public image.
5. Comments stressing injuries, team, personnel conflicts, or disciplinary problems as an excuse for a loss or unsuccessful endeavor are detrimental and should be avoided.
6. It is unethical for a coach to solicit alumni, parents, booster club, or managers to pressure organizations, Member Association, or NTSSA to alter established rules. The coach must not attempt to influence these organizations in political or financial dealings outside the framework of their own rules and bylaws.
7. The media should be allowed access to the players for comments. Players should be instructed in how to conduct themselves during an interview.

ARTICLE VII GAME DAY AND OTHER RESONSIBILITIES

1. A coach's behavior must be such as to bring credit to himself, his organization, and the sport of soccer. This is never more evident than on the day of the contest.
2. Rival coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.
3. During play, coaches have a responsibility to be as inconspicuous as possible. Coaches shall exhibit a respectful attitude towards players. The coach must confine himself/herself to the coaching area. The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.
4. It shall be considered unethical for a coach to have any verbal altercations with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.
5. The coach's foremost post game responsibility is his/her team.
6. Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.

77.1 NTSSA PARENTS CODE OF CONDUCT

Children have more need for example than for criticism.

Attempt to relieve the pressure of competition, not increase it. A child is easily affected by outside influences.

Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time and money to provide a recreational activity for your child.

The opponents are necessary friends. Without them your child could not participate.

Applaud good plays by your team and by members of the opposing team.

Do not openly question an official's judgment or honesty. Officials are symbols of fair play, integrity, and sportsmanship.

Accept the results of the game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.

Remember, your child is involved in organized sports for their enjoyment, **NOT YOURS!**

Encourage your child to always play by the rules.

Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.

77.2 CODE OF CONDUCT FOR USSF/NTSSA REGISTERED REFEREES

I pledge that I will faithfully enforce the Laws of the Game and any special Rule of the Competition of the League(s) I am officiating for without prejudice or favoritism to any player, team or coach.

I recognize that it is my professional duty to constantly keep abreast of any changes in the Laws or Rules of Play and to keep myself physically fit and my training refreshed. I will constantly strive to improve my own refereeing techniques and always accept sincere, constructive criticism from fellow referees or official assessors without malice.

I pledge that I will make myself available, whenever possible, for game assignments for which I am qualified.

If I am a State or National USSF referee, I acknowledge that my first responsibility is to State or USSF-assigned games and that I will make myself available for these assignments regardless of conflicts with local playing associations or with leagues that I may be active in as a player or as a coach.

I do hereby acknowledge my fellow referees' total authority over any matches over which they are duly assigned to officiate, and I pledge that I will never interfere with the carrying out of their prescribed duties, before, during, or after a match.

I understand that any criticism of fellow referees should be limited to constructive criticism in quite, private referee-to-referee discussions, and then never within hearing distance of players, coaches, or spectators.

As a registered USSF/NTSSA referee, I will always strive to conduct myself in the highest professional manner possible, including refraining from indulging in arguments or name-calling with coaches and/or spectators.

I also acknowledge that if I am also a coach, player, or spectator, that my conduct towards, and my respect for, my fellow referee doing my game is more closely noticed by all concerned. I will, therefore strive to set a very high standard of personal conduct under these circumstances to serve as an example to all.

I understand that I should wear only the approved USSF referee uniform with the current badge of the highest grade I am qualified for, and that my uniform be clean, neat, and in a state of good repair. I also understand that if I am a coach I am not to wear the uniform while coaching my team.

I further understand that I should not partake of any type of alcoholic beverage before any game assignment, and that I should never smoke, eat, or drink while actually officiating.

I hereby pledge that I will always faithfully carry out any duties and obligations as a USSF referee registered with the North Texas State Soccer Association; and that I do hereby acknowledge and accept the jurisdiction of the local NTSSA-affiliated playing association I may be refereeing for, the NTSSA and USSF, and their respective Referee Committees, where applicable, over my actions, conduct, and performance as a registered USSF referee.

77.3 NTSS CODE OF ETHICS FOR EXECUTIVE COMMITTEE AND STATE COMMITTEE MEMBERS

None of us arrives at any administrative level, volunteer or not, without spending some “grass roots” time somewhere. We are appointed or elected to our positions because enough people had confidence in us, appreciation for what we had done in the past and assurance that we could lead them I a positive, productive future. This responsibility of accepting such a challenge, especially in a volunteer capacity, must have some guidelines.

It is important to remember that as board members, we are very high profile. It is equally important that we remember that we are primarily a service organization and hat we treat fellow volunteers as partners with a common goal – the organization, development and promotion of soccer. We should maintain high standards and serve by example.

Have respect for the game, players, officials, parents, coaches, member association volunteers and fellow board members and deal with them in a patient, courteous and consistent manner.

Criticism channeled through the proper quarter should be educational, constructive, balanced and positive. Under no circumstances should it be demeaning or detrimental to the self-respect of the individuals involved.

Administrators should be informed and available. As facilitators they should know the right questions, have the ability to elicit the right answers and foster creativity with accountability within their committee or area.

Regarding committeemen and other volunteers; they should be praised for time spent and jobs well done; their suggestions welcomed, evaluated and conclusions communicated to them. Abilities should be recognized and encouraged.

Above all – courtesy, self-control and loyalty. We are role models for the youngest players to the newest association. Our responsibility is to serve them well as we work toward our common goal.
